### **Effects of cancellation**

If you cancel this contract, we will reimburse to you all payments received from you, including the costs of delivery (except for the supplementary costs arising if you chose a type of delivery other than the least expensive type of standard delivery offered by us).

We may make a deduction from the reimbursement for loss in value of any goods supplied, if the loss is the result of unnecessary handling by you. We will make the reimbursement without undue delay, and not later than-

- (a) 14 days after the day we receive back from you any goods supplied, or
- (b) (if earlier) 14 days after the day you provide evidence that you have returned the goods, or
- (c) if there were no goods supplied, 14 days after the day on which we are informed about your decision to cancel this contract.

We will make the reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of the reimbursement. We may withhold reimbursement until we have received the goods back or you have supplied evidence of having sent back the goods, whichever is the earliest.

Where goods have been delivered we will make arrangements to collect the goods

You will have to bear the direct cost of returning the goods. The costs for returning goods will depend on your location and the nature (weight/dimensions) of the goods received. We will always minimise any return costs for you and will details these costs to you before arranging collection of a cancelled order.

You are only liable for any diminished value of the goods resulting from the handling other than what is necessary to establish the nature, characteristics and functioning of the goods.
